RE: RYLA 2008 - Rotary Youth Leadership Awards in Anchorage

DATE: _____

Our Rotary Club seeks your help in identifying and nominating qualified and interested sophomores and juniors to attend RYLA 2008. There is no cost to the student to attend. See the attached FACT Sheet for additional information.

RYLA 2008 is an opportunity for students to focus on and build their leadership and decision making skills in a seminar setting with 70 other young student leaders from Alaska and the Yukon Territory.

We are seeking applicants who have demonstrated a desire and some ability as responsible leaders. These students do not need to be current leaders such as student body president. They just need to be great kids who are of strong character with positive attitudes that will benefit from and contribute to the seminar.

Final Selection of participants is made by our Rotary Club's RYLA Selection Committee.

Please help us by identifying qualified students within your school community and encourage them to apply. Please encourage your staff to encourage students to apply as well. Completed applications (with parental permission form) for selection must be received **BY FEBRUARY 15, 2008**.

I have included the RYLA Frequently Asked Questions as well as the Teen Application.

If you have any questions, you can check out our web site at www.ryla5010.com or contact me - my information is provided below.

Thank You!
